**Board Meeting Location**

Mrs. Walsh said for safety purposes, fencing is going up around campus. Passage into the School for the Blind will become more difficult. To make it safe for the students, she would propose that the board meetings be moved to the Tornado Shelter on a permanent basis, especially since construction will be happening, it would allow for a consistent space. Mr. Fagan said the only concern he has is that when they go into executive session, the audience would have to be outside in the elements. Dr. McAllister said he had the same concern. Mr. Fagan suggested using Woolly Auditorium. The foyer could be utilized for people to wait in if an executive session were necessary. Mrs. Walsh said she thought it was a good idea. The board agreed to have the January meeting in the auditorium to see how it goes. Mr. Fagan said it would keep parking in front of the building and security is close also. Mr. Fagan asked for a motion.
